

TEXAS CITY HIGH SCHOOL BAND BOOSTER CLUB

A registered 501-C (3) non-profit organization

Fall 2019

The Texas City High School Stingaree Marching Band is gearing up for another successful marching year in 2019 with their marching show *"What Dreams May Be (Come)"*. Our band has several marching contests planned this year leading up to our UIL Region Marching Contest on October 19, 2019.

Fundraising and community support are an important part of our band program's success. As parents, alumni, and friends of the band program, the Texas City High School Band Boosters are dedicated to making band a positive learning experience for our students while supporting their love of the arts and talents. Business sponsorships and donations are greatly appreciated, and we hope that you will consider becoming a partner in our efforts through a donation of goods or a monetary support. As a statement of our gratitude all of our community sponsors and businesses will be acknowledged throughout the year in our performance programs.

The Texas City High School Band Booster Club is a 501(c)3 non-profit organization. All donations are tax deductible. Donations can be made in person or online at:
